

Catch These Critter Tales.

Whale of a Mammal

The orca is the official marine mammal for Washington state.

Bear with U.S.

Six states have a bear as their official state animal: Alabama, California, Louisiana, Montana, New Mexico and West Virginia.

Tons of Furry Fun

Wyoming, Oklahoma and Kansas all claim the bison as their state animal—a male can weigh up to 2,000 pounds.

Texas Triple Play

Texas has 3 state animals—the armadillo, the Texas longhorn and the Mexican free-tailed bat.

Busy As a You-Know-What

The official state animal of New York and Oregon, beavers are well suited for going underwater. Their fur traps air for insulation, they can hold their breath for up to 15 minutes, and they have transparent eyelids that serve as goggles.
