

VOLUNTARY SAFETY RECALL

BLACK DIAMOND Announces Recall of DSP Pro, DSP Pro Ice and DSP Sport Avalanche Transceiver

RECALLED PRODUCT: PIEPS DSP Pro, DSP Pro Ice, and DSP Sport Avalanche Transceivers with neoprene carrying case sold between January 2013-November 2020.

HAZARD: The transceiver can switch modes unexpectedly when not locked or installed in the harness, resulting in severe bodily harm or death.

REMEDY: Consumers should stop using the avalanche transceivers immediately and contact Black Diamond for a free replacement hardcase carrying system and user guide.
