

# **SAFETY RECALL**

## **DT Swiss Recalls Carbon Wheels Due to Crash Hazard**

**A defect in the wheel can compromise the wheel's structural integrity, posing a crash hazard.**

**Consumers should stop using the recalled wheels and contact DT Swiss to coordinate a replacement. Consumers should register the recalled wheels with DT Swiss at [www.dtswiss.com/recall](http://www.dtswiss.com/recall).**

**For more information, call toll-free**

**800-000-1994**

**From 8:30 a.m. to 3:30 p.m. MT Monday through Friday, or go online to**
