

**SaltStick® Elixalyte™ is the first concentrated electrolyte add-in with all 4 major electrolytes.** **Elixalyte** features a proprietary high-performance formulation that provides a balanced supply of bioavailable sodium, potassium, magnesium, and calcium. Sodium is derived from sodium citrate, a proven source that has the added benefit of soothing the stomach. The formulation mirrors the electrolyte profile lost in sweat, in a form and quantity the body can absorb. Quickly fortify your preferred sports drink or beverage. Rapid absorption in the stomach takes place due to liquid format. Easy access bottle of 120 mL (4 fl oz) with convenient flip-top for accurate measurement. Enjoy 24 servings per bottle at 5 mL per serving, every 30-60 minutes during activity.

- Helps **Reduce Muscle Cramping†**, **Reduce Heat Stress†**, **Boost Stamina†**, **Maintain Electrolyte Levels†**.
- The **ONLY** liquid add-in that is formulated to closely resemble the electrolyte profile lost in sweat. Natural tart & salty flavour allows fortification of water and your favourite sports drinks with limited flavour change.
- Contains sodium citrate, helps soothe the stomach. Most other concentrates contain just salt water and trace minerals.
- Zero calories.
- Ingredients are: non-GMO, gluten-free, vegan, fat-free. No trace minerals, zinc, or sulfates (overdose and potential health hazards).
- Tested not to contain banned substances.
- Bio-available active ingredients. Made in USA under cGMP (current Good Manufacturing Practice).
- Also great for youth sports, travel rehydration, tennis and other sports, camping & hiking, effects of alcohol.
- Suggested use: 5 mL (1 tsp, diluted into 17 fl oz/500 mL) every 30-60 min. during activity; Approximately equals 1 SaltStick Capsule.
