

HITCHFIRE[®] **FORGE 15** **PROTECTIVE COVER**

Do not use the HitchFire Protective Cover for any other purpose other than covering the Forge 15 Grill.

If you have questions or need advice regarding your grill/cover or its operation, please visit us on the web at Hitchfire.com. These instructions will give you the minimum requirements for using your cover.

Please read the instructions carefully before using your grill. Improper assembly can be dangerous.

INSTRUCTIONS

Installing the cover.

1. Remove cover from box and unfold. Ensure that the cover is not inside out by making sure that the HitchFire logo is visible from the outside.
2. Ensure that the grill is not on, gas is not connected, and that the grill is not hot.
3. Place the cover over the grill.
4. Tighten straps. Tight enough that the cover will not blow off at highway speeds.

DANGER

 **DO NOT PLACE COVER ON GRILL WHILE THE GRILL IS STILL HOT.**

 **SUFFOCATION HAZARD.**
DO NOT LET CHILDREN PLAY IN OR AROUND COVER.
