# BUNNYDO SNOWSUIT

Our peachy pink BUNNY with its striped top is the perfect good mood suit for the slopes!

A small, stumpy tail (with a hidden secret pocket) and long ears make us look more harmless than we really are!

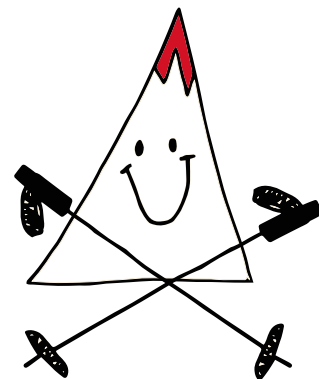

# FOXDO

## SNOWSUIT

This clever little fellow has set out to capture your heart by storm! His fluffy (detachable) fox tail and his big, pointed ears make him a very successful hunter! When he's not out hunting for children's and parents' hearts, he loves to hit the slopes with his speedy feet - as the saying goes: a rolling stone gathers no moss!

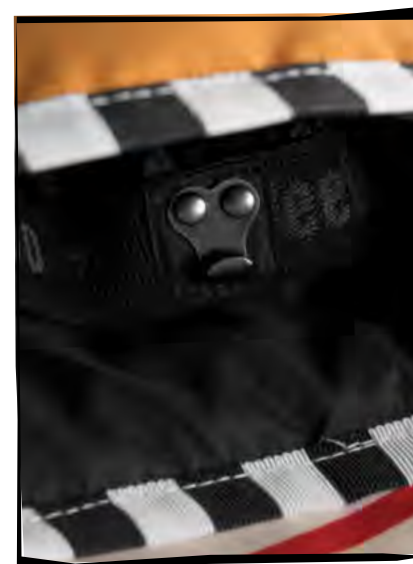

# HOOKDO SNOWSUIT

When our pirate is not in the Caribbean, he loves to travel to colder regions. Here he flourishes into a snow pirate on the highest mountaintops and iciest lakes and knows no fear of snow leopards or green slope monsters! This brave, fearless slope pirate is a real good friend to have - with him you will definitely find the greatest of treasures!

# MATTHEW LANGILLE

Our this years' artist collaboration  
is with Matthew.

He is known for his signature, whimsical  
drawings and pattern work which is sold glo-  
bally through his brand collaborations with the  
world's top brands and personalities.

For WeeDo he designed his own interpretation of  
the WeeDoniverse as an endless pattern.

# UMONDO

## SNOWSUIT

Beware - the Monstermania picks up speed again!

After our GREEN MONDO, MONSTERLILI and BLUE MONDO, our designers have once again really stepped it up and created a cool artist collaboration on this monster! This creative badass likes it loud! With its all-over print and the neon yellow spikes he raises the alarm!

# LOVEPOW

## SNOWSUIT

Twinkle here twinkle there Love Pow spreads love everywhere!  
You'd think our newest super hero can do magic - that's how fast she vanishes into the vastness of the WeeDoniverse with her turquoise cape!  
To make you feel safe and magical this winter, this rocket comes flying to you with an extra large heart on its chest.

In addition to our CHARACTER LINE, we complement our range of snowsuits and jackets with the COSMO LINE. We continue to focus on great color blocking, the usual high class WeeDo quality, cool fitting, fun and lots of features. In this productline we leave out character features such as ears, tails or fur. Above all stands the big sister, the CHARACTER LINE from which the COSMO LINE is derived in terms of fabrics, colors and cuts.
