

All-Day Adventure Flask Product Manual

Welcome to Your All-Day Adventure Flask!

Congratulations on acquiring the Hibear All-Day Adventure Flask—the ultimate Swiss Army knife of insulated bottles, thoughtfully designed for your everyday adventures.

Features & Benefits

- Versatile Beverage Creation: Brew coffee, steep tea, infuse water, mix cocktails, and decant wine.
 - Double-Wall Vacuum Insulation: Keeps drinks hot for 8 hours and cold for up to 18 hours.
 - Thermal Core: Keeps beverages cold without dilution.
 - Easy-to-Clean Design: Ultra-wide opening, no bottle brush required.
 - Removable Mug: The protective silicone sleeve doubles as a cup.
 - Hidden Artwork: Unique designs under the silicone sleeve, created by independent artists.
-

What's Included?

- Flask Body (32 oz): Durable insulated body for hot and cold beverages.
 - Insulated Pour-Over Lid: Ideal for brewing pour-over coffee and decanting wine.
 - Cocktail Shaker/Strainer Platform: Perfect for mixing and straining cocktails on the go.
 - Stainless Steel Filter Basket (355ml): For steeping tea, making cold brew, or infusing water.
 - Thermal Core: Keeps beverages cold without dilution by freezing beforehand.
 - Removable Silicone Sleeve (8.5 oz mug): Protects the flask base and doubles as an additional drinking cup.
-

Getting Started

1. Pour-Over Coffee:

-
- Invert the insulated lid, attach it to the flask, insert filter basket, add coffee grounds, and pour hot water slowly.

2. Cold Brew & Tea:

- Fill stainless steel basket with grounds or tea leaves, insert into flask, add water, and steep.

3. Cocktails & Wine:

- Use shaker/strainer for mixing cocktails. For wine, invert lid, pour wine into strainer to aerate and decant.

4. Hydration & Infusions:

- Simply use the flask for daily hydration. For infusions, add fruit or herbs to basket and fill with water.
-

Use & Care Instructions

- Cleaning:
 - Hand wash with warm, soapy water for longevity. Dishwasher-safe top rack only for lid and components.
 - For deep cleaning, use diluted vinegar solution or baking soda paste.
 - Maintenance:
 - Do NOT freeze the flask.
 - Avoid extended dishwasher cycles to maintain powder coating.
-

Dimensions & Specs

- Capacity: 32 oz / 950 ml
 - Height: 11 inches (283 mm)
 - Diameter: 3.7 inches (94 mm)
 - Weight: 29 oz (828 g)
-
