Precautions for safety use. Precautions for safety use. For your safety please read this manual before use.

- Campfires can be dangerous if products are used incorrectly or outside of the recommended use. Please refer to individual safety instructions for each item included in this kit. Our products are designed for safety, but to avoid danger for users or other persons and your assets, we instruct that each user read this manual carefully before use.
- Please check with local government or management before using the Pack & Carry Fire kit for a campfire in public spaces such as parks, near rivers, campsites, etc.
- Do not use product for campfires where it is forbidden to do so.

⚠ Danger : Could easily result in a serious accident or death.

Pack & Carry Fireplace L

- Do not use indoors, in vehicles or in tents. This product is designed exclusively for outdoor use.

⚠ Warning : Misuse could result in serious injury or death to the user.

Pack & Carry Fireplace L

- Please remove all flammable items from the area in which you wish to have your campfire. Do not use on dry grass as it may spread fire.
- Use this product on flat ground. If the product is used on an incline or in a position that is precarious, the product may tip over. Please check that product is stable before use.
- Do not use this product under strong wind conditions. Immediately discontinue use if winds become too strong.
- Product is very hot during and after use, please use caution. Keep careful watch on the fire and surrounding areas. Keep children away from campfire.
- Do not move the product while in use as a campfire as it is very dangerous.

Pack & Carry Fireplace L Base Plate

- Please ensure all 4 legs of the Pack & Carry Fireplace L are set steadily on the ground.
- If you use the product on unstable ground, the Pack & Carry Fireplace L may tip over or Base Plate may bend.

Pack & Carry Fireplace L Grill Bridge

- This product is designed for use with the Pack & Carry Fireplace L. Do not use as an individual product.
- Be sure to adjust the height of the grill before cooking food and avoid height adjustments while cooking.
- Use dry, heat resistant gloves when adjusting the height of this product or adding firewood/charcoal. Do not use wet, thin gloves or chemical fiber gloves as these can burn and cause injury.
- Do not use unstable cookware with this product. Awkward or tall cookware may tip over if used with this product.
- This product is very hot during and after use. Please use caution and keep children away from product.

Pack & Carry Fireplace L Grill Net

- This product is very hot during and after use. Please use caution and keep children away from product.
- Use dry, heat resistant gloves when adjusting the height of this product or adding firewood/charcoal. Do not use wet, thin gloves or chemical fiber gloves as these can burn and cause injury.

⚠ Precaution : Misuse could result in injury or damage to property.

Pack & Carry Fireplace L

- Please allow product to cool before storing. Do not pour water on the product unless in an emergency. Sudden temperature change may cause deformation or cracking.
- Use both hands during set up and removal of product. Incorrect use may result in injury or damage to the product.
- Slight color changes in product due to use do not compromise the quality of the products.
- Stainless steel may rust if used/stored in poor conditions.

Pack & Carry Fireplace L Base Plate

- Use this product on flat ground. Use of product on slanted or bumpy surfaces may result in deformation. The coating on surface is not heat-resistant, there is a chance of color change or peeling of coating.
- Steel may rust if used/stored in poor conditions.

Pack & Carry Fireplace L Grill Bridge

- Please allow product to cool before storing. Use of water or other cooling agents may cause deformation of product.
- Use of iron, salt or oil may cause rusting. If corrosion occurs, please discontinue use of product.
- There is a risk of instability or deformation of the Grill Bridge when you use this product with the Pack & Carry Fireplace L. If product becomes too unstable and use becomes difficult, please discontinue use of product.
- When folding the legs, take caution not to pinch your fingers between the legs and base. Use both hands to fold.
- It is possible that the pieces may rub together in storage, causing scratching to the product. This is not a defect and will not be covered by warranty.

Pack & Carry Fireplace L Grill Net

- Please check to make sure that your Grill Net is not warped before using.
- We recommend not grilling food that is smaller than the openings of the Grill Net.

Pack & Carry Fireplace L Canvas Carrying Case

- Color may transfer from the canvas when wet.
- Leaving this product outside may cause deterioration or discoloring of this product.
- Take caution to not place sharp objects in this carrying case, as they may pierce the canvas.
- The canvas is treated with paraffin that may leave a mark resembling chalk.
- This product is not heat resistant. Keep away from fire.
- This product is not water-proof.
- Store this product in a cool, dry space.
- Do not machine wash or dry. Spot clean only.
- Carry this product with care. Do not drag.
- Hold both handles when carrying.
- Check that your Pack and Carry Fireplace L has cooled before storing to avoid fire.

Instructions for use

- Please refer to the individual manuals for instructions on how to use the product. If you have difficulty understanding the manual, please ask the store you purchased the product from or contact our customer service.
- For the first time use of the Pack & Carry Fireplace L Grill Net, please wash, rinse and dry well before use.

Maintenance

● **Pack & Carry Fireplace L, Pack & Carry Fireplace L Base Plate**

- Use soft sponge or scrub brush when washing these products. Rinse well and dry products in a ventilated, shaded area.
- Store products in a cool, dry place.

● **Pack & Carry Fireplace L Grill Bridge**

- After use, please wash well with a dishwashing detergent. Rinse and use soft cloth to dry product completely.
- Do not store this product outside. Please store product in a cool, dry place.
- When you store this product, please ensure product folds flat without any resistance. If resistance or deformation occurs during folding, please discontinue use of product.

● **Pack & Carry Fireplace L Grill Net**

- Please allow product to cool before storing. Use of water or other cooling agents may cause deformation of product.
- For grease, burn marks, and other residue, please wash well using dishwashing detergent, rinse and allow to dry completely. Please apply oil to prevent rust.
- Do not store this product outside. Please store in a cool, dry area.

● **Pack & Carry Fireplace L Canvas Carrying Case**

- Do not machine wash or dry. Spot clean only.
